

Using Unilife Connect after you leave

When you've completed your course at USW you can continue to use Unilife Connect and access jobs, events, appointments and more. You can also manage your graduate account within Unilife Connect, including changing your email address.

When the course ends and the next 120 days

Your student account will remain active for 120 days after you complete your course and during this time you will need to continue to use this to log into Unilife Connect.

After 120 days

After 120 days your student account will expire and you will receive an automated email from Unilife Connect informing you that your account status has changed to Graduate and how to log in.

If you haven't received this email what to do

Go to <http://unilifeconnect.southwales.ac.uk>

Click on **Graduate**

Your log in username is still your student number.

If you do not know your password or your student number, use the reset password link. Please note you will need to use a personal email address you have listed with the university.
